A Message from Mark:

The 2008 tournament goal was \$17,000 and we raised \$17,000!

The Hebler family came up larger than large last year with a Corporate sponsorship. Our Platinum and Gold sponsors remained strong and consistent. The Silver level continues to shrink (partly due to upgrades to Gold).

Yes, we are going to raise the bar again and shoot for a goal of \$18,000 this year putting us over the \$100,000 mark since the inception of the event.

The economy has had an impact on many people's discretionary dollars but as you know, these are the times when charitable organizations need our money most.

We started a new sponsor initiative this year to incentivize sponsors and golfers. For each **NEW** Gold level sponsorship or above, one tournament entry fee waiver will be awarded to the solicitor. So, if you like to golf or know someone who does, just pass this sponsor brochure onto someone in your network (after you make a copy of course) and invite them to be part of this great cause. Any questions about this program please call me at 716-417-6412 or go to our website for more information.

Oh and by the way, Roswell was 1 of 8 cancer hospitals from across the nation named as the best in their field by the doctors who work in the field. Your support makes it possible. Thanks.

Sincerely,

Mark J. Petrie
